Unending Generosity!

It is exciting to reflect back over 2010 and witness the generosity of Rainbow Acres' Circle of Friends. A natural human response to economically challenging times is to think of scarcity. However, even in the midst of scarcity, the human spirit is resilient and creative. This issue of the Rainbow Promise is about the unending generosity of Rainbow's Circle of Friends.

At a recent meeting of the Board of Trustees, Trustee Pastor Lloyd Stoops of Happy Trails Christian Fellowship reminded us, "Our God is a God of abundance and gives us an abundance of blessings. God wants to give us the best blessings!"

In 2010, Rainbow's supporters were most creative in sharing their abundance, and Rainbow Acres continues to be blessed! One mother of a Rancher gave generously from her modest Social Security check. In fact, over 60 Rancher families gave generously to enrichment programs, construction projects, the Annual Fund and more. Many volunteers, including John and Marilyn Lee, Charlie and Doreen Snow and Hal Hemmerling and Janice Gerbig, gave generously of their time and energy. In 2010, volunteers gave over 9,000 hours of service!

Rainbow's Circle of Friends was also generous in its financial support in 2010. Nearly 400 individuals gave to the Adopt-A-Rancher program, with gifts ranging from \$10 per month to \$1,200 per month. Over 200 individuals participated in the Blazin' M Barn Raisin' fundraising event, sponsored by the Mabery Family. Over 1,500 individuals, churches, businesses and foundations contributed generously to nearly every area of Ranch life!

In 2010, Rainbow Acres saw an increase in the number of friends who support the Ranchers. The generosity of these friends, through bequests and other planned gifts, supported the Annual Fund, increased Rainbow's Endowment and assisted in funding capital construction.

Wikipedia, the free encyclopedia defines *Generosity* as "the habit of giving freely without expecting anything in return." It is clear that Rainbow Acres is blessed by the generous and abundant support of its Circle of Friends.

In any language, gratitude is a cherished virtue, and *Thank You* the most important words. To everyone who shared their abundance with generosity, please accept a heartfelt *Thank You!* from each and every Rancher and employee at Rainbow Acres.

For the Ranchers,

REV. DUANE & CAROLYN GIBSON

They loved
GOD!

They loved

They loved
CARING
*for the sick, the poor
and disabled!*

In early 2011, Rainbow Acres lost two of its greatest advocates, Duane and Carolyn Gibson of Des Moines, Iowa, to cancer. Deeply grounded by faith in Jesus Christ, they lived lives of unending service. Duane was a pastor and a family man who loved caring for the broken hearted, the poor, the sick and the disabled. Carolyn was devoted to her husband and family, and to her vocation as a pediatric physical therapist – she loved bringing healing to children. Their loving and devoted 45-year marriage is an inspiration.

Many tributes have been given to the Gibsons. I once heard J. Barry Griswell, President of the Greater Des Moines Community Foundation and former CEO of the Principal Financial Group, describe Duane as “the finest urban pastor I have ever known!” Duane and Carolyn, however, were never interested in seeking recognition for themselves. Rather, they were passionate about fulfilling God’s claim on their lives.

Duane and Carolyn loved the Ranchers at Rainbow Acres. During Duane’s six years of service on the Rainbow Acres Board of Trustees, he took time to learn each Rancher’s name, as well as something distinctive about each individual. When he spoke to them, he made each Rancher feel like the most important person in the room.

When Carolyn learned that Duane led the way in creating a new, state-of-the-

*M*emorial gifts received in honor of Duane will be used to create a worship center in the Palmer Community Center. Memorial gifts in honor of Carolyn will be used to further furnish the Ranch fitness center that bears her name. Gifts from both will also be used to invest in the lives of two Ranchers in great need of an extra measure of support.

The Rev. Duane J. Gibson served on the Rainbow Acres Board of Trustees for six years, with his term of service ending in 2010. He was Pastor Emeritus of First Baptist Church of Greater Des Moines, as well as a supporter of a number of other Iowa-based missions and organizations. Duane went to be with the Lord in February. He is remembered for his love of coffee and conversation, and his passion for God and service.

Carolyn Gibson went to be with the Lord in July after a long battle with Lymphoma. She was a faithful supporter of Rainbow Acres, and was devoted to service. Carolyn is remembered for her love of Scrabble, her grace, her quiet strength and her unending Faith.

art fitness center at Rainbow Acres in her honor, she gave wise counsel on equipping it! And in the midst of her nearly two-year battle with cancer, she sent each Rancher a personalized birthday card and note of encouragement.

Duane was an empathetic listener and encourager. He cared deeply for every employee at Rainbow Acres. On occasions when an employee faced a seemingly overwhelming personal or professional challenge, he was always there with the right words of encouragement. When I visited with Duane just days before his death, he sent me away with his familiar and comforting words of encouragement.

We will miss Duane and Carolyn greatly, but their spirit lives on in children Eric, Bryan, Michelle and their families, as well as every person who had the honor of knowing them.

Written by Gary W. Wagner, Rainbow Acres President and longtime friend of the Gibsons.

Godly Perspective

Life is all about perspective. Before coming to Rainbow Acres I served as mission support staff for many years. It was my job to share the stories of great mission work happening around the world, and to connect missionaries with individuals and churches that were excited about the work they were doing at home and abroad. One of those missionaries was Dr. Marian Boehr who served in India for most of her career. In addition to her service as a physician to India's poor, Marian also worked to improve the lives of those with whom she served. Marian told me once that, in regards to eating, the term "full" had no meaning to the majority of the people she encountered. They could not fathom sitting down to eat and having enough food in front of them to ever feel "stuffed." Where they struggle to have enough to eat, we here in America spend literally billions to lose the weight gained from consuming too much. Perspective.

by Chris Roush
 Vice President for Advancement
 and Church Relations

From my perspective, Rainbow Acres continues to be overwhelmed by the grace of God! Though the economy is still sputtering, simple miracles happen here at Rainbow each day. It's all about perspective! 2011 has seen further cutbacks in giving from our church support base. As churches continue to meet needs in their local communities, outreach ministries such as Rainbow Acres have felt the pinch. Church giving dropped from \$216,000 in 2006 to \$131,000 in 2010. Belts have been tightened and pencils sharpened as we work to reduce costs without cutting the wonderful care that has become the hallmark of Rainbow's ministry. Through God's grace, the estate planning of Rainbow's Circle of Friends has helped us through these tough times. Perspective! God continues to provide the resources necessary to keep this ministry alive and going strong.

Every day individuals and churches from across America keep Rainbow in their prayers and in their network of financial support. We are incredibly grateful for each of you! The world tells you to focus on your own needs and your own desires. Instead, you choose to look at life using a more Godly perspective – loving thy neighbor. On behalf of your neighbors at Rainbow, thank you for your perspective!

WISH LIST

It has been an exciting year for Rainbow Acres. With the dedication of the Palmer Community Center in September, and the recent construction of the stable for the TETRA equestrian program, the Ranch has been a busy place. The new additions are great improvements to Rainbow's facilities, but there is still work to be done and we need your help!

Sponsor a Stall – The new stable is an impressive structure, but Rainbow needs additional funds to finish the interior, especially the stalls that will house the beloved Ranch horses. The cost to finish one stall is approximately \$2,000. There are five total stalls.* If you are interested in sponsoring a stall or another portion of the interior, contact the development department at development@rainbowacres.com, or call 928.567.5231.

Work Groups – Rainbow Acres is always looking for eager work groups to help complete various projects around the Ranch. From driving Ranchers to and from medical appointments, to paving and construction, Rainbow needs your skills! To learn more about the projects we have waiting for your work group, contact Dee Whitt, Community Relations Coordinator, at comrel@rainbowacres.com, or call 928.567.5231.

** Rainbow will collect sponsorship funds until fundraising is complete and all five stalls can be finished at one time.*

RADIO STATION

Rainbow Acres is on the air! Thanks to the help of dedicated volunteer and radio enthusiast Ray Dennis, Rainbow is celebrating the addition of a new on-Ranch radio station located in the Worden Life Long Learning Center.

Learning Center Coordinator Mark Larson has high hopes for the station's potential to serve as a new activity for the Ranchers. As on-air correspondents, they will work on skills like writing and expression. When the station is idle, it features an informational loop, voiced by Rainbow Acres supporter Arvid Huisman, that helps visitors to Rainbow Acres get to know the Ranch a little better. So next time you are in the neighborhood, be sure to tune into KOTR 94.7 – Over the Rainbow!

FINE ARTS PROGRAM

Rainbow Acres recently launched its new Fine Arts Series with a recital by accomplished soprano and Rainbow Acres employee Jean Graham. Guests enjoyed an afternoon of song followed by light refreshments. Rainbow looks forward to holding many future performances! All performances in the Fine Arts Series are held at the Palmer

Community Center at Rainbow Acres and are free to the public. To learn more about the Rainbow Acres Fine Arts Series contact Meryl Houser Burman at meryl.rainbowacres@gmail.com

Fall Events

Mark your calendars! Rainbow Acres is planning several events as part of our autumn celebration. The events will take place the week of October 27-29, 2011 at the Palmer Community Center. Save the dates and watch for further information soon in your mailbox and online. Visit www.rainbowacres.com often to learn more about the events and how you can reserve your seat. We hope to see you there!

ARIZONA CHARITABLE TAX CREDIT

Rainbow Acres is thrilled to once again be eligible to receive the Arizona Charitable Tax Credit for 2011. This credit allows you to receive a dollar-for-dollar tax credit on your Arizona state income tax when you give to Rainbow Acres and itemize your deductions on your Arizona state tax return. Gifts must be postmarked by December 31, 2011. To learn more about how you can help the Ranchers through the Arizona Charitable Tax Credit, contact the development department at development@rainbowacres.com or visit www.rainbowacres.com to print the necessary forms.

Artistic Expression of Kelly O'Neill

Rancher Kelly O'Neill receives instruction on painting from Marlys Mallet during a Rancher art class.

Twice a week, under the bright lights of the Palmer Community Center stage, several Ranchers meet to go on a journey of self-discovery. Led by two Sedona-based artists, these Ranchers learn to express themselves through paint. The stage has been temporarily transformed into an art studio, fully equipped with easels, canvases, paint and brushes. Under the enthusiastic guidance of artists Michael Redhawk and Marlys Mallet, the participating Ranchers learn how to use these tools to grow in their artistic expression.

Michael and Marlys have known about Rainbow Acres for some time. They attend

Church of the Red Rocks in Sedona, and have enjoyed hearing the Rancher Choir perform during services there. But it was during the construction of the Palmer Community Center that they became intimately involved with Rainbow.

Michael and Marlys have been married for eight years. Both have been artists most of their lives, Marlys as an abstract painter and Michael as a jeweler and a realistic painter. After several years of marriage the two decided to combine their artistic strengths and styles to start creating pieces together. In most of these combination works, Michael paints a realistic landscape in the center of the canvas, while Marlys uses the outer portions of the canvas to extend his realism into the abstract. Rainbow Acres President Gary Wagner saw some of these works and, anticipating that the Community Center would become a hub of artistic activity, he knew that a

Michael and Marlys partnered to create the mural, titled *All That Is Glorious Around Us*, that hangs in the Palmer Community Center.

Michael and Marlys were drawn to this painting by Kelly, which she later gifted to them.

piece from the husband-wife team would be the perfect inspiration for the Ranchers. The resulting mural is a massive, three-panel piece called *All That is Glorious Around Us*. The title of the piece comes from a passage by popular early American writer James Fenimore Cooper, and reminds those who view the mural to appreciate the idyllic beauty and grand ideology of the Arizona landscape.

During the Palmer Community Center dedication festivities, Michael and Marlys had a chance meeting that would prove beneficial for them and for Rainbow Acres. While touring the Rainbow Acres campus, they stumbled across some paintings done by the Ranchers. A painting of a tiger by Kelly O'Neill stood

out from the bunch. Michael and Marlys sought Kelly out to complement her on her piece. Honored, Kelly gifted the piece to the two artists and sent it to their Sedona home. This was the beginning of a beautiful relationship.

Seeing Kelly's obvious talent, Michael and Marlys took a special interest in developing her artistic skills. Under their guidance, Kelly has discovered new dimensions to her talent. Where she was once solely a realistic artist, concerned with everything being just right, she now relishes in learning about freedom and the abstract. Early on in the collaboration, Kelly was nervous using more than the bare minimum amount of paint. Marlys told her to live by Van Gough's philosophy – don't be stingy with the paint!

Over time, Kelly has grown in her skills and has become more comfortable using liberal amounts of paint. Seeing growth in Kelly, Michael and Marlys decided to offer their instruction to more Ranchers in the form of a class. According to the artists, painting adds value to the Ranchers' lives and provides them with joy and improved self esteem. And in return, they feel enriched by the opportunity to see the Ranchers enjoy personal accomplishments.

Rainbow is thankful for the generous gifts that make the fine arts program possible, and looks forward to the continued artistic growth of Kelly and the rest of the participating Ranchers. To learn more about Michael Redhawk and Marlys Mallet, visit their website at www.marlys.org.

Kelly O'Neill grew up in Manhattan Beach, California. She came to Rainbow Acres in 2009 and continues to enjoy life on the Ranch. Kelly is an animal lover to her core. Her particular love of horses makes her a perfect addition to Rainbow's TETRA equestrian program, where she is both an active member and a leader. Kelli has been an artist since middle school. She enjoys how art encourages her to be creative and discover beauty around her. Her specialty is canvas paintings. Kelly hopes to someday be able to sell her art for the enjoyment of others.
